## ABOUT ME

I am a 4th year university student majoring in Graphic Design and UI/UX Design. I made a decision to pursue this field hoping that I would get the opportunity to create, design and learn new things everyday.

## INTERNSHIP

**Ivan Software**

**UI/UX Designer**

Jan 2022 - present

At this company, I work for their service called Otus, which is an online content creation service platform. Users can generate mass emails, social media posts and blogs with the assistance of a team of professional content writers. I am currently working on their website user flow and design, as well as creation of social media posts

## EDUCATION
